## Funding Research and Community Programs

- **We fund close to 40 grants across Canada each year totalling over \$3 million.** These donations work to support researchers intent on finding a cure and improving the quality of life of those affected by Alzheimer's disease and other dementias.

By educating the public and decision makers we support 500,000 Canadians with Alzheimer's disease in 157 communities across Canada. 1.4 million are expected to have the disease by 2031.

- **We provide information and education that improves quality of care, the highest quality of programs and services to enhance the lives of people living with dementia, their families and caregivers.** Your support helps us provide information that educates and improves quality of care. Our programs like First Link® and Safely Home® maintain hope and independence for those living with Alzheimer's disease and other dementias.

The Alzheimer Society is Canada's leading nationwide health charity for people living with Alzheimer's disease and other dementias. Active in communities right across Canada, the Society:

- Offers information, support and education programs for people with dementia, their families and caregivers
- Funds research to find a cure and improve the care of people with dementia
- Promotes public education and awareness of Alzheimer's disease and other dementias to ensure people know where to turn for help
- Influences policy and decision-making to address the needs of people with dementia and their caregivers.

## Planning today offers hope for the future

- The Forget-Me-Not Partners program is a convenient and easy way to support the Alzheimer Society's programs, services and research.
- You can divide your (tax-creditable) donation into twelve equal payments and know that your generous dependable monthly contribution will help us make long-term plans.
- Once you become a Partner you will receive a tax receipt by February 28th each year.

## Forget-Me-Not Partners Benefits

Your monthly gift means:

- **You make one decision** – your gift works each month to support a cause you believe in. Monthly donations are one of the most cost-effective and environmentally friendly ways to give.

### What if I want to change the amount of my monthly gift?

Contact us and we will adjust the amount of your monthly donation and keep track so that your receipt is adjusted to reflect your total gift.

### What if I want to adjust my donation?

You can change your Forget-Me-Not Partners plan at any time by contacting us.

### Is there an advantage in setting up my monthly gift from my bank account versus my credit card?

Yes. It costs the Alzheimer Society slightly less per transaction to debit a bank account versus a credit card. However, both ways of giving are gratefully received.

### Can more money than has been authorized be taken from my account?

No, never.

### How will I know that the Alzheimer Society is receiving my donation?

Your monthly credit card or bank statement will show the Alzheimer Society has received your donation.
